PINK PATH OF COINS

Saturday 22 October 2016 from 11.30am - 1.00pm

Maroondah Hospital, Davey Drive, Ringwood East

Community Bank® Branches Bendigo Bank in the outer eastern suburbs are currently raising funds for a scalp cooling machine at our local community hospital Maroondah Hospital, part of Eastern Health.

This machine will reduce hair loss for women undergoing breast cancer chemotherapy.

Eastern Health will become the first public health service in Victoria, and most likely in Australia, to offer this new scalp cooling treatment free of charge.

Part of the fundraising campaign is the creation of a coin path from the **Ringwood East Community Bank® Branch Bendigo Bank** to Maroondah Hospital.

Please join us at the end of the coin path for the announcement of our fundraising tally and a BBQ kindly hosted by Rotary Club of Ringwood.

Please RSVP by Tuesday 18 October to Carolyn Schuwalow, Eastern Health Foundation on 9895 4868 or carolyn.schuwalow@easternhealth.org.au
